

BJHM article reviewers 2019

At the *British Journal of Hospital Medicine*, we would like to thank our reviewers for all their hard work to help the journal maintain its standards.

We appreciate the valuable time and effort you spend to help us maintain standards, improve accessibility and provide reliability for our articles. We are continuing to partner with Publons (<https://publons.com/home/>) to enable our reviewers to keep track of this work for appraisals, job applications and continuing professional development. We would like to thank you for all your outstanding support and look forward to working together again in future. **BJHM**
